You must also return your certificate of motor insurance immediately following cancellation.

You may cancel this policy at any time by returning your certificate of motor insurance to us, provided no claim (other than a windscreen claim not exceeding £1,000) has occurred during the period of the policy

If, to our knowledge, **your motor caravan** is subject to a hire purchase or leasing agreement, any payment for the total loss or destruction of the vehicle will be made to the owner described in that agreement whose receipt will be a full and final discharge to us.

Section X (ii)

Continental breakdown and accident recovery

This section provides breakdown cover and accident recovery for the territorial limits of the policy excluding Great Britain, Northern Ireland, the Channel Islands and the Isle of Man, although the breakdown service will be provided if **you** are on route to or from a port immediately prior to or subsequent to travelling abroad.

Cover is provided in the specific instances below by RAC Motoring Services and/or RAC Insurance Limited and is subject to an overall limit of £2,500.

RAC will arrange for the following:

- (a) If your vehicle breaks down, or
- (b) Is disabled as a result of an accident covered under Section 1 of your policy whilst being driven by **you** or any person permitted to drive as described under 'Persons or Classes of Persons entitled to drive' in the certificate of motor insurance.

Whilst **you** are in the UK:

- a self-drive hire car, including collision damage waiver and a replacement Green Card if necessary up to a value of £750, if:
 - as a result of a road accident, fire or theft within seven days before your departure, your vehicle cannot be repaired or recovered (in the case of theft) in time for the journey; or
 - your vehicle breaks down on the way to the port **you** are leaving from and RAC confirms that it cannot be repaired the same day.Please note that any hired vehicle provided in the UK cannot be taken abroad. Once **you** are abroad the cover stated under section 'Whilst **you** are abroad' will be provided.

Whilst **you** are abroad:

- emergency roadside assistance up to a maximum of £500 (not including the cost of any parts). If your vehicle cannot be repaired immediately it will be taken to a nearby garage. In the event of a breakdown we will pay either:
 - a contribution towards labour charges if it is possible to repair your vehicle to enable **you** to continue your journey on the same day, or
 - inspection fees to confirm your vehicle cannot be repaired by your return travel date.

Continental breakdown and accident recovery will not cover:

- the cost of any ferry crossings or toll charges

Section X (ii) (cont.)

- onward transportation, if your vehicle cannot be repaired within 12 hours, we will provide **you** with up to 14 days self-drive car hire (including collision damage waiver, delivery charge and Green Card if required), or we will pay for standard/second class rail or both, so that **you** and up to 7 passengers are able to continue your journey or return home. Any hired vehicle cannot be brought into the United Kingdom, and we will arrange for a second hire vehicle, costs for which are limited to £250, to get **you** home once **you** return to the United Kingdom. RAC will use its best endeavours to find a vehicle of similar, but not exact, specification as your own vehicle to ensure that **you** can carry the same number of passengers and amount of luggage. Please be aware that this may not be of an exact specification – replacement motor caravans can often be difficult, if not impossible, to locate.
- a replacement driver, if a registered doctor declares the only qualified driver is medically unfit to drive and there are no passengers who can legally drive the car to complete the journey. In these circumstances it will be at the discretion of RAC whether a replacement driver is provided, to enable **you** to reach your destination or return home.
- repatriation of the vehicle to your home address or your nominated repairer in Great Britain, Northern Ireland, the Channel Islands or the Isle of Man, if your vehicle cannot be repaired before the end of your holiday period, subject to the cost of the repatriation not exceeding the market value of your vehicle.
- emergency repairs to make your vehicle secure again if the windows, windscreen or locks of your vehicle have been damaged by somebody trying to break into it. In this instance **you** must obtain a police report.
- passing an urgent message from our control centre to your relatives or a close business colleague if your vehicle cannot be moved as it has broken down or been in an accident, damaged by fire or stolen.
- if your vehicle cannot be reasonably repaired as a result of fire or theft which has happened

abroad during the journey and it has to be scrapped under Customs supervision in the country where it is situated, or it has been stolen abroad during the journey and has not been found, we will pay indemnity against Continental or Irish Customs claims for any liability for duty claimed. This does not include any import duties that do not relate to your vehicle. Whilst **you** are abroad RAC may, at its discretion, offer **you** or any permitted driver:

- overnight accommodation expenses for the driver and passengers up to £35 per person per day, subject to an overall maximum of £560 in total. This does not include, however, the cost of meals or drinks.
- If **you** are intending to camp but your tent is stolen or accidentally damaged so that **you** cannot use it, we will pay up to £35 per person each day towards accommodation expenses to a total of £560 or, in certain circumstances, authorise the cost of a replacement tent. This does not include any damage to your tent caused by weather conditions, or any cost if your tent was stolen and **you** do not get a police report.

If we have agreed to an extension of the territorial limits and **you** have been issued with an international motor insurance card (Green Card) the breakdown cover outlined above is extended to apply to these countries, but only for the period shown in the Green Card. In providing breakdown assistance RAC employees and contractors will use reasonable care and skill when providing the service. RAC can, however, cancel services or refuse to provide them if, in their opinion the demands made are excessive, unreasonable or impractical. We will provide emergency assistance by one of our contractors in the event of vehicle breakdown, accident, fire or theft, or when the only qualified driver is unfit to drive. This cover applies in any country within the territorial limits or any other country where we have agreed to an extension of cover and have issued **you** with a Green Card. Every effort is made to ensure a quality service is provided in Eastern European countries but this may not necessarily be of the same standard as in Western Europe. The situation varies from country to country

Section X (ii) (cont.)

but time delays may occur, telephones are sometimes not available, garage facilities may be inadequate, spare parts are often not available, etc.

Breakdowns on continental motorways

If **you** break down on a continental motorway use the roadside emergency telephones.

You cannot normally call **RAC** Control Centres from these. **You** will be connected to the police or authorised motorway service, who will send a breakdown recovery vehicle. In France the same procedure applies on motorway service areas. **You** may have to pay labour and towing charges on the spot and an authorised tariff is normally applicable.

However, this will only be to the recovery company's own depot in the case of any tow. These items are covered and **you** should obtain a receipt to claim a refund on your return home. If **you** are towed from a motorway contact the **RAC** Control Centre as soon as **you** can if possible from the recovery company's depot Cover in Europe.

Remember: Always carry all vehicle and insurance documentation when driving and never leave it in an unattended vehicle. If **you** are unfortunate enough to require Breakdown and/or Accident Assistance, please use these telephone numbers:

Calls from outside the UK:
(00 44) 1603 603 047

Calls from within the UK:

Rest of Europe:

Once your details have been taken, one of our Personal Incident Managers will ring **you** back, if possible, and explain the appropriate action for your circumstances.

You should be aware that the RAC does not operate services in Israel, Iceland, Morocco or Tunisia. In these countries you are advised to pay for the services you receive yourself. Upon your return to the UK you should initiate a claim for the costs to be reimbursed by contacting RAC European Support on 08705 493320. All claims must be supported by valid receipts. Costs that can be claimed will only be those covered by European Breakdown and will not include the cost of spares etc.
