

DIY Bunting

Halloween Sheet 3

Step 1. First colour in each flag!

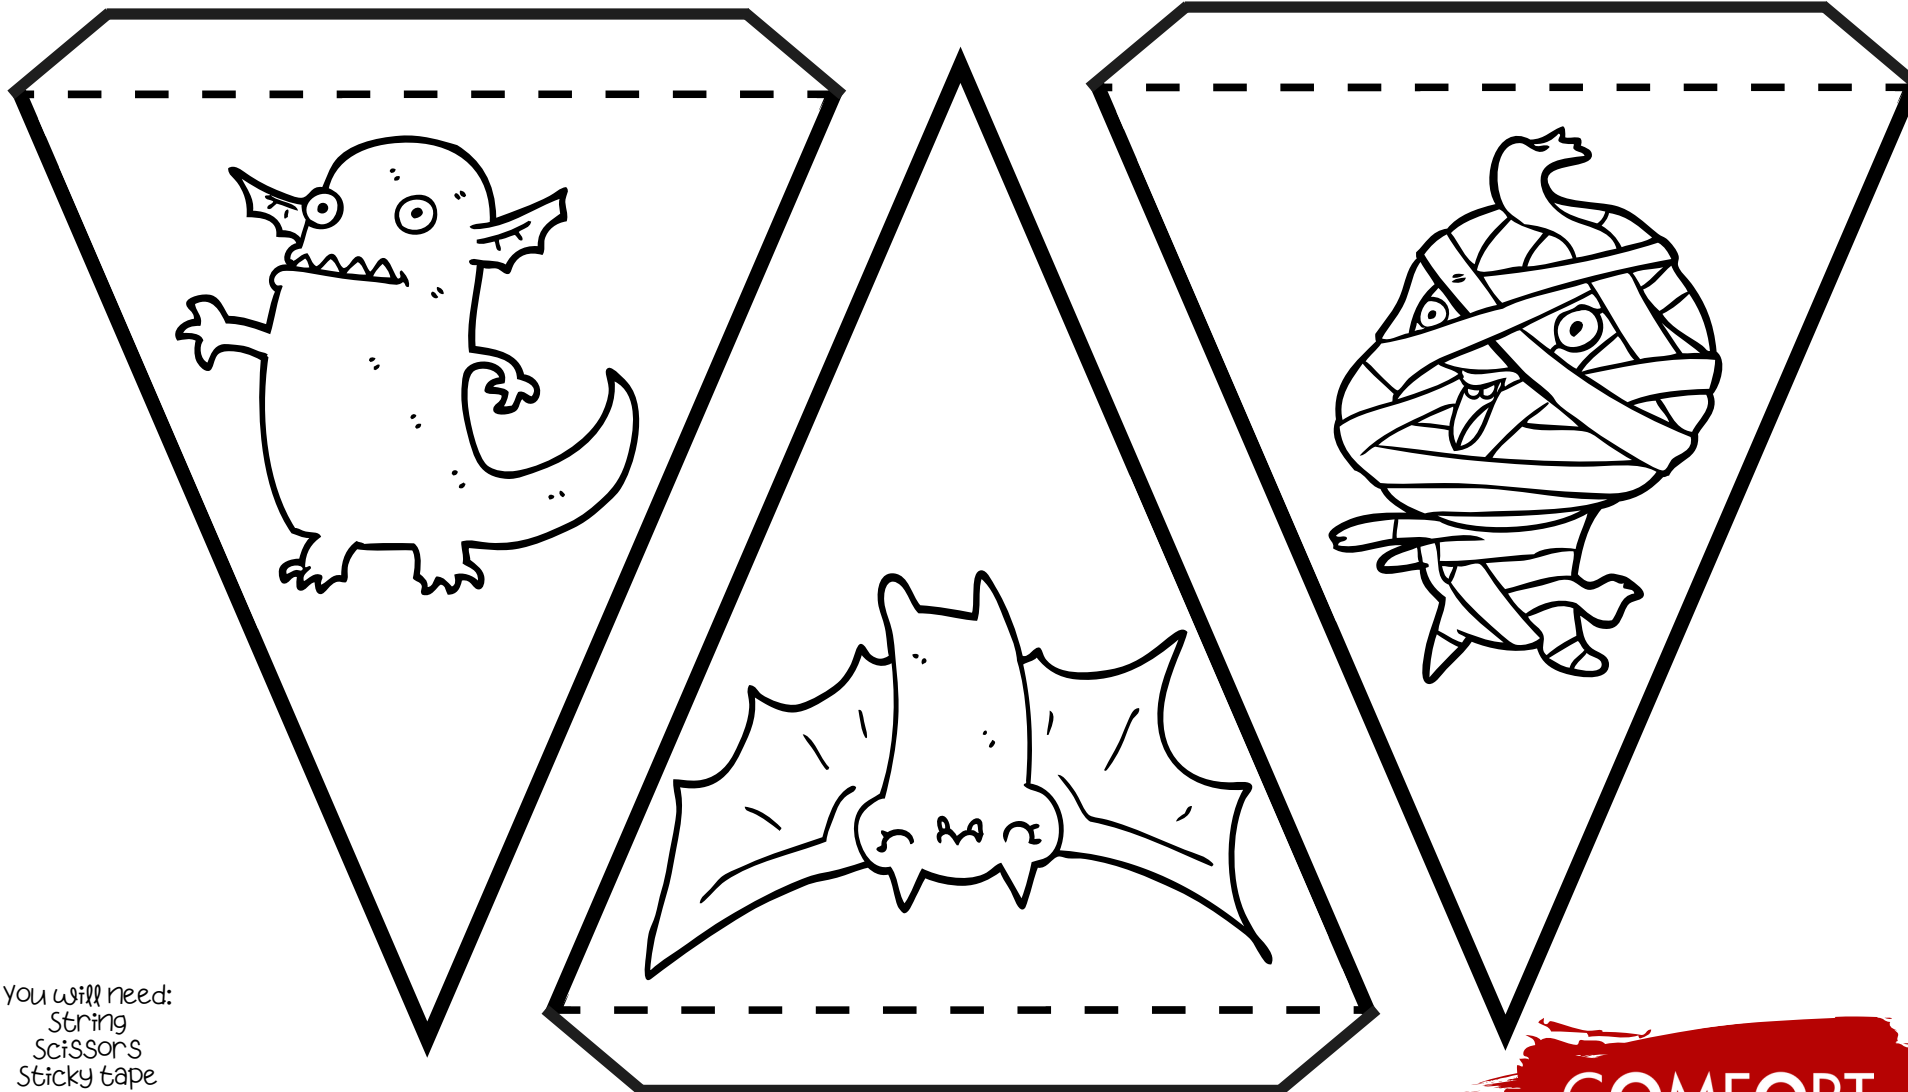

Step 2. With some help from a grown up cut around each flag!

Step 3. Lay out your string and cut to the length you would like your bunting to be. (Don't forget to tie a loop at each end so you can hang it up later).

Step 4. Fold the dash line on each flag and then place over string.

Step 5. Secure at the back using some sticky tape.

Step 6. You're finished now. Time to display your masterpiece for everyone to see!

You will need:
String
Scissors
Sticky tape
colouring pens or pencils
